UGRD: Online courses: ENVS 152 is offered online with no designated day/time meeting pattern. It has one optional on-campus meeting towards the end of the semester to discuss the final exam. Supervision courses: For ENVS 181, 193, 194 and 210: multiple sections meet at the same class time. Section numbers reflect differing number of units. Check the unit value carefully of the section for which you are registering. To earn credit for the Center for the Development of Recycling, please enroll in 01-06 units of ENVS 193. Students create individual service-learning (work) schedules with the approval of the CDR Director, in additional to four class meeting during the semester. ENVS 193 and 194 do not meet the entire semester. Contact the instructor for meeting dates. 4-unit field, activity, and service learning classes: ENVS 117, 154, and 190 require field trips that may include weekends. ENVS 144 requires some weekend travel to wetlands around the state. ENVS 166 requires six Sunday field trips. ENVS 185 requires work outside of class time for students to attend government meetings and satisfy service learning requirement. ENVS 187 requires six Saturday field trips. ENVS 191 requires independent field work throughout the semester.
